**GARZA AZUL – MEXICO’S  
SUNNY LAKESIDE  
RETREAT**

**GARZA AZUL RETREAT** is a luxurious 6,000 sq. ft family estate on 7 acres of lakefront property. This secluded International style home boasts 4 master bedrooms with four well-appointed master bathrooms with showers and soaking tubs, an impeccably stocked chef’s kitchen complete with 6 burner commercial gas stove and informal eating area, a grand living/formal dining/entertaining area, a game room, study, workshop, laundry room and maids or gardeners facilities. Three large terraces surround the house including the sun-soaked Japanese garden courtyard, a terrace and fire-pit off of the bedroom wing and a large outdoor dining terrace overlooking Mexico’s largest lake, Lago Chapala. Rising one mile above sea level and surrounded by mountains, this is a destination hard to beat for ideal year round weather conditions, excellent exploration opportunities, and an enlightening peek into the Mexico few tourists have ventured to experience.

Garza Azul’s floor plan is perfect for families, groups of friends, writers, artists or retreat leaders. Each suite offers its guests privacy and serenity. The current American owners lived in the home for ten years while exploring Mexico and have made sure every room is a welcoming haven for its guests with comfortable beds, fine linens and a good supply of hot water. Internet is available in-town if you must keep in touch. Many guests prefer to immerse themselves in a deeper connection with nature, free of television, telephones and anything that transports us back to the “Other World!” Garza Azul is a peaceful hideaway, surrounded by beauty and quiet.

Many travelers have experienced going on vacation and coming home exhausted needing another vacation just to unwind. The theme of this house and its guests is “Deep Relaxation, Serenity and Rejuvenation of the Soul.”

Reconnecting with Nature and family are some of the best things about “getting away.” Lounge- a luxury forgotten by most Americans! Read, play games, cook long leisurely dinners, drink wine with friends. Feel your body soften and relax as you absorb the suns rays next to the Heated Lap Pool and 8 person Jacuzzi with expansive Lake and Mountain views-it’s like being on the edge of the world.

The oversized kitchen is perfect for family gatherings or a group cooking lesson from a local “gourmet” of Authentic Mexican Cuisine. (Bring your video cam to record this as the cook does not speak English.)
