## **Rotary Seeks To Hire Gardener Who Knows Roses**

Thanks to many contributions and wonderful volunteers, the gardens at the historic Gordon House have been completely demolished and then recently replanted with a variety of new landscaping including over 90 rose bushes. Although Joel Deceuster is going to organize the Rosarian Rotarians to come out 2-3 times a year to work on the roses. Rotary will be hiring a gardener to do regular maintenance on the new landscaping. If you know a gardener who knows roses and does more than "blow and go", please contact John Kennett at 297-6101.

## APRIL FIRESIDES

Sunday, April 13 through Sunday, April 20, 2008

*Dave Heagerty about the Fireside he attended in October: "Evelyn and I had a great time and it appeared all the others did as well. It couldn't have been nicer - wonderful food and drink, a delightful setting and super people with lots of fun and fellowship. Conversation before, during and after dinner was engaging and more than stimulating."*

Please consider signing up to host one of the April Firesides. Events can be hosted by one or two members and held any weekday evening or anytime on Saturday and Sunday of that week. The format is up to the host(s) e.g. sit-down dinner, after-work social, potluck or catered, weekend brunch or afternoon BBQ.

The Fireside Committee will coordinate all sites and keep a running list of individual event attendees and available "slots". Sign-ups for events will be on a first come-first served basis. Anyone who is interested in an event with no openings will be given the option of being put on a wait-list for the event or given their choice of another event.

All events must include at least two new members - Red Badgers (0-1 year) and/or New Blue Badgers (1-2 years) - but to encourage "mingling" new members are not eligible to host an event. Hosts are free to find their own new members to invite or the Fireside Committee will assign them.

For more information or to sign up as a host, please email Shelly McNamara at [shelmcnamara@earthlink.net](mailto:shelmcnamara@earthlink.net) or call her telephone number in the Membership Directory and one of our committee members will get back to you with more details. Once we have at least 12 sites and dates, we will start recruiting attendees.

***Oh, did we mention you get a make-up?***

## *Volunteers Needed!*

### **HELP KIDS ENJOY THEIR FIRST FISHING EXPERIENCE**

Rotary's Annual Fishing Event for Third Graders is Saturday, April 26th at Hellyer Park. We need volunteers to help the kids set up tackle, bait hooks (no worms!) and net fish. Volunteers need not be Rotarians. There will be approximately 300 kids and their teachers from three local inner-city schools.

***Fishing expertise NOT required!***
