Rotary Seeks To Hire Gardener Who Knows Roses

Thanks to many contributions and wonderful volunteers, the gardens at the historic Gordon House have been completely demolished and then recently replanted with a variety of new landscaping including over 90 rose bushes. Although Joel Deceuster is going to organize the Rosarian Rotarians to come out 2-3 times a year to work on the roses. Rotary will be hiring a gardener to do regular maintenance on the new landscaping. If you know a gardener who knows roses and does more than "blow and go", please contact John Kennett at 297-6101.
