ROTARY
CLUB OF SAN JOSE

Meeting: May 21, 2008 Number 4701

2007-2008 President, Julie Matsushima

Mayor Chuck Reed **“Annual Budget/State of the City”**

Chuck Reed is the 64th Mayor of San Jose. Elected on November 7, 2006.

Chuck was born and raised in the small farming town of Garden City, Kansas. His family lived in a public housing project, teaching him from an early age the importance of government aide for working families. A strong work ethic was evident during childhood as Chuck took jobs sweeping floors while still in elementary school, digging ditches, shoveling gravel, and working in the fields before becoming a teenager and working part time operating a bull dozer and driving an 18 wheeler semi truck while in high school.

Chuck left Kansas to attend the United States Air Force Academy and served in Thailand during the Vietnam War. He received a Master's Degree in Public Affairs from Princeton University and graduated from Stanford Law School.

As Mayor of San Jose, Chuck is committed to improving the quality of life in the city, boosting the public's trust in local government, and fixing the City's structural budget deficit.

Chuck and his wife, Paula, have been married for over 35 years. Paula manages a medical clinic specializing in the care of cancer patients. They have two children, Kim and Alex, who both attended public schools in San Jose. Kim is a fighter pilot in the U.S. Air Force with more than 100 combat missions. Alex works in Washington D.C. to help prevent the spread of weapons of mass destruction.

Enjoy Giving and Taking Verbal Abuse? Can you count to 23?

Due to several former members now requiring extended-stay psychiatric treatment in Eastern European institutions, the Host Committee (that's tickets takers for you old timers) has decided to add a few new stand-ups to sit down at the ticket table every week.

Rather than being inside watching Rotarians spill food on themselves, you will sit in the lobby every week from 11:30-1:00 exchanging clever banter with fellow Rotarians like "lunch only or do you want the whole enchilada?".

If you are interested in joining "the few, the proud, the maroons", please contact Bill Del Biaggio or Ken Wiener.

Adult Gift of Life

Our spring patient, 18 year old Leon Powell from Jamaica is arriving in San Jose with his mother on Saturday evening, May 10th. They'll be staying at the Fairmont (thank you Cyril) until surgery on May 14th and will then move closer to O'Connor Hospital.

We're looking forward to Leon's successful heart valve replacement and a safe journey home. Be sure to attend the May 21st meeting to meet Leon's mother. If Leon is up to it, he'll be there too.

June 18 ~ Youth Program ~ SAVE THE DATE!!

One June 18 the Rotary Membership Involvement Committee will host a special luncheon for Rotarians and their children, grandchildren, nephews and nieces. Designed for children ages 5 - 12 to experience Rotary, an entertaining and fun program will appeal to young people and Rotarians. The highlight of the luncheon will be the guest speaker, Doug Jones the owner of Mortgagemagic. An accomplished Magician and member of the International Brotherhood of Magicians, Doug has performed professionally throughout California and Nevada.

In addition to the normal buffet, a kid friendly meal will be served for \$10 a child. Sharkie will also be on hand to greet everyone. You may sign up at the May 30 or June 11 Rotary meeting, or call the Rotary Office (408) 297-6100.

Finally, the committee would like to give the children a gift, such as a chocolate Rotary wheel. If you are interested in sponsoring or making a small contribution toward this effort, please contact David Ginsborg at david.ginsborg@asr.sccgov.org.
