ROTARY
CLUB OF SAN JOSE

Meeting: June 13, 2007 Number 4658

2006-2007 President, Gerald A. Silva

Lew Wolff

“A’s and Earthquakes to Silicon Valley”

Entrepreneur, hotel magnate, and long time Silicon Valley power, **LEW WOLFF**, will speak to us about his other interest: professional sports and the creation of venues to play them in. Specifically, will there be and/or where will there be - fields or stadiums for major league baseball and soccer in our community?

This creation will involve political considerations, institutional rivalries and pots and pots of money.

Mr. **Wolff** brings decades of expertise in real estate development (Wolff Urban Management, Inc.) ; hospitality industry ownership and management (Maritz, Wolff & Co.; Sunstone Hotel Investors, Inc.; Rosewood Hotels and Resorts) ; sports franchises (formerly the St. Louis Blues NHL team and the Golden State Warriors, and for the last two years, the Athletics) to our meeting.

From his college days in Madison, Wisconsin, to earning an MBA at St. Louis University, and early days in real estate economics and appraisal, Mr. **Wolff** has created a potent influence in our economy.

He is a Board member, too, for Maguire Properties, First Century Bank and Bobrick Washroom Equipment.

Mr. **Wolff** is uniquely qualified to give us the insider's info on major league sports future for our community. Maybe we will all be yelling GOOOOALL! sooner than not!

Rotary BBQ Enjoyed By Everyone

About 400 Rotary Members attended this year's Rotary Spring BBQ. Many thanks go out to Mark Minor for generously donating a Rotary Wheel ice sculpture, Bert George for the excellent wine, the Motor Vehicle Enthusiasts, John McLeod providing the music, Greg Yoder, and the Red Badge Committee for their hard work, the Rotary staff for their support and, the wonderful Executive Chefs for all their hard work.

It was a collaborative effort greatly enjoyed by Rotarians and their guests.

6/3/07 Habitat For Humanity Build Update

There were eight Rotary Members that participated in last weekends Habitat For Humanity Build. They were hauling, sanding, painting, and doing a lot of work on the homes from the heights of the scaffolding on the upper floors. The homes are really coming along, walls are up, and the roofs are on.

Come join us on the next Habitat For Humanity Build scheduled July 7th at 8:00am.

Be sure to check future bulletins for more details!

Advocates For President-Elect Julie Matsushima's Goal

If you are interested in equal play for the children of San Jose, Karyn Sinunu will be leading a group of Rotarians to see the vision of next year's president become a reality. We want children with special needs to be able to play alongside their able-bodied friends and siblings in public parks. This group will make a difference for all the children in our community....And we will have fun doing it!!

Please contact Karyn Sinunu at (408) 497-5420 or email ksinunu@yahoo.com.
