## ~ ~ More on Greg Kihn ~ ~

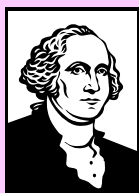

**Greg Kihn** began his career in his hometown of Baltimore, MD, working in the singer/songwriter mold, but switching to straightforward rock & roll when he moved to San Francisco in 1974. In 1976, after his debut on the compilation Beserkley Chartbusters, he recorded his first album with his own band. Through the '70s, he released an album each year and built a strong cult following through constant touring, becoming Beserkley's biggest seller. In 1981, **Greg** earned his first bona fide hit with the Top 20 single, "The Breakup Song (They Don't Write 'Em)," from the "RockKihnRoll" album. He continued in a more commercial vein through the '80s with a series of pun-titled albums.

**Greg Kihn's** most recent project is the release of his latest book, "Carved in Rock," a collection of short stories written by musicians such as Ray Manzarek (The Doors), Pete Townsend (The Who) and Joan Jett. **Greg** is also the #1 rated morning drive time jock for Clear Channel's KFOX station (San Jose/San Francisco).

### Presidential Photos Need Your Help

Do you know your way around picture frames? Rotary needs a volunteer to help update the Rotary President photos at the Gordon House. You will need to remove the picture frames and replace or repair any damaged photos and name plates. Free coffee, and the gratitude of all the past presidents, for the lucky person who volunteers for this job.

**Please contact Big John K. at 297-6101 if you are willing to help.**

### Volunteer Needed To Manage Gordon House Painting

The Gordon House has been repaired and is ready to paint. Rotary needs a volunteer to put together a Request For Quote, contact some painters (we have identified several candidates already), select a painting contractor and make sure the painting is completed successfully.

**Please contact Big John K. at 296-6101 if you are willing to help with this important job.**
