## Rotarian Of The Week ~ Dave Heagerty

The purpose of the Rotarian of the Week is to put a face on what it means to be a true Rotarian and to inspire all of us to strive to be better Rotarians and to ask that person to share why they are so involved in our Rotary Club.

***This weeks Rotarian of the Week recipient was Dave Heagerty.***

Dave Heagerty has been a member since 1973, was a member of the Club's Board of Directors in 1979-80, and the Club's President in 1983-84. Dave has also been very involved at the Rotary District level, and has attended some 16 international Rotary conventions. Dave enjoys participating in Rotary because "the cause is always right, we're helping people who really need help in a variety of interesting ways, and the people I work with in Rotary are the best."

## 2007 RI Convention in Salt Lake City, June 17-20, 2007

***Join Julie and Mel Matsushima and Rotarians from around the world at Rotary's largest annual get-together!***

The Wild West is the setting for the 98th annual RI Convention, slated for June 17-20, 2007. But you won't find anything rough or unsophisticated about Salt Lake City. Utah's state capital boasts all the amenities of a big city - world-class accommodations, entertainment, dining, and culture - as well as the family atmosphere and safety of a small town. And like Rotary itself, Salt Lake city offers a welcoming environment with more than 80 languages spoken by its citizens.

## Celebrating One Million Paul Harris Fellows

Thank You to all who made it possible for The Rotary Foundation to recognize its one millionth Paul Harris Fellow. The first Paul Harris Fellow was awarded in 1957, and in early June 2006 one individual in every Rotary zone was identified to represent the one millionth Paul Harris Fellow.

Paul Harris Fellow Recognition is integral to the Foundation's mission to improve health, support education, and alleviate poverty. Each contribution of US\$1,000 provides hope to millions of people through international humanitarian, educational, and cultural exchange programs. The achievement of the one millionth Paul Harris Fellow milestone is represented by over \$1 billion that has been contributed to projects aimed at doing good in the world. Become a Paul Harris Fellow today!
