ROTARY
CLUB OF SAN JOSE

Meeting: October 24, 2007 Number 4675

2007-2008 President, Julie Matsushima

Ryan Morgan **"Business of Sports"**

Our speaker, **Ryan Morgan**, founded Morgan Advisory Group (MAG) in 2004. Previously he worked for Morrison & Foerster LLP. He currently works with the team at MAG to represent the interests of such athletes as Kerri Walsh (Stanford University, US Olympic Gold Medalist), Chris Brown (RB, University of Colorado, NFL's Tennessee Titans), Mike Lambert (Stanford University, US Olympian), Rashied Davis (WR, SJSU, NFL's Chicago Bears), Erick Frampton (Safety, Washington State, NFL's Oakland Raiders), Pro Paintball's Team Dynasty and many more top athletes.

MAG has negotiated significant and groundbreaking product endorsement and promotional deals with companies such as Gatorade, McDonald's, Visa, Speedo, Nautica, Nike, Reebok, Red Bull, Sirius Satellite Radio and many more. Contributing to its strength on the deal side, MAG maintains a deep network of NFL GM's NFL alumni, scouts and other NFL related bureaucrats (e.g. NFLPA personnel) in order to negotiate the strongest contracts for its players.

Ryan received his J.D. from University of California at Berkeley School of Law (Boalt Hall) and a B.A. (Phi Beta Kappa) in Classical Political Theory and 17th Century British Literature from Boston College. He teaches Sports Law at Santa Clara University School of Law.
