Rotary Fellowships are groups of Rotarians, Rotarian spouses, and Rotaractors who join together to:

- Share a common interest in worthwhile recreational activities (sports, hobbies, etc.)
- Further their vocational development through acquaintance with others of the same profession
- Make new friends around the world
- Explore new opportunities for service
- Have fun and enhance their experience in Rotary

How Rotary Fellowships Operate

- Each fellowship is operated independently of Rotary International, with its own rules, dues requirements, and administrative structure.
- Membership in fellowships is open to Rotarians, spouses of Rotarians, and Rotaractors.
- Fellowships must be international in nature with active members in at least three countries.
- Each fellowship elects at least three officers to oversee the group's administration.
- Fellowships are expected to facilitate communication among their members and maintain regular communication with RI.

Some Benefits of Rotary Fellowships

- Fellowships provide opportunities for Rotarians to make lasting friendships outside of their own club, district, or country.
- Fellowships contribute to the advancement of world understanding and peace.
- Fellowships serve as an incentive for attracting new members to Rotary and retaining existing ones.
